---	---	--

Pool play first, then the lines show where each pool placing goes. The pool cards above are the full pool lists — every team in this division, in draw order. Dashed lines are plate and placing games: they are real games, but they are not on the road to the title.

EVERY TEAM'S GAMES

11 TEAMS · 50 NAMED FIXTURES

READ THIS FIRST

Only pool games carry team names — a knockout game cannot name its teams until the pools finish. 5 of the 11 teams in this division therefore show fewer than five fixtures below. That is not the whole draw: the rest of their games are knockout or plate games on Sunday or Monday, listed under “What comes next”.
